### NOTES & REGULATIONS:

Registration is done online at: [www.ruziwo.co.za](http://www.ruziwo.co.za)

Study periods are: Feb – Nov (9 Months) ; July – Dec & Feb – May (10 months).

Fees must be paid every month for the duration of the study period on or before the 27<sup>th</sup> of every month through Bank transfer (Internet/cell phone banking) or ATM cash deposits. Any cash deposit made directly to a Bank Teller inside banking hall must be accompanied by an extra R30 to cover for bank charges. Late payment leads to delay in sending modules.

Missing a payment means missing a module. Student will either have to pay for the missing module on their next payment or continue with the program with next intake. If one decides to continue program with next intake, Registration fee will have to be paid again. Students must therefore plan carefully and ensure that they register for the number of modules that they can afford to pay for during the entire period of study.

Assignments must reach us between the 20<sup>th</sup> and 25<sup>th</sup> of every month. They can be sent by post or scanned and emailed to [admin@ruziwo.co.za](mailto:admin@ruziwo.co.za). Late assignments will not be marked.

All material sent to a student is protected by the copyright Law of South Africa (1978) and belongs to that particular student only. It cannot be duplicated, Photocopied, scanned, shared or sold without a written permission from Ruziwo Admin. Any violation of this regulation may lead to prosecution.
