	ZIMSEC	History / Geog / Fam & Rel Studies /Soc / Heritage (A or B : 60% up)

Notes

- To be accepted for Advanced Level at Ruziwo Cambridge Academy, a learner must have passed a minimum of 5 O-level / IGCSE Subjects with a **C** or Better if they wrote ZIMSEC and a **D** or Better if they wrote Cambridge exams: (50% up). The passed subjects must include Mathematics, English and a Science subject. A-level is very demanding, hence we require very strong symbols at OL(A's) for one to qualify.
- Should a learner have failed any 1 of the core subjects, they may, still be accepted for A-Level but will be required attend lessons at Ruziwo and re-write the failed subject for an additional charge as stated on the 2025 fees brochure. Ruziwo Admin use their discretion when making such a decision.
- Any combination that includes a practical subject will be charged using the **Sciences** rates shown on the [2025 Fees brochure](#).
